

Earthworks Coronavirus Temporary Closure

	<p>There is a new illness making people unwell. It is called COVID-19 and is caused by a type of coronavirus.</p>
	<p>Coronavirus can be spread from person to person, from coughs and sneezes, on surfaces and on hands.</p>
	<p>Earthworks has been working to keep you safe and teach you about this coronavirus on site.</p>
	<p>At Earthworks we meet our friends, we work outside and in our buildings and we eat our lunch together.</p>

The UK Government is telling us that meeting up with groups of people could spread coronavirus.

To help keep everyone safe, Earthworks will be closed for now.

Sunflower Plant Life Cycle
Cut and paste the life cycle of a sunflower plant into the correct order.

First, Next,

Then, Last,

Write a few sentences about the sunflower plant life cycle.

First, _____

Next, _____

Then, _____

Last, _____

We will send you activities that you can do at home.

We will talk to you on the telephone to check how you are and see how we can help you.

We will be open again when it is safe to do so. We don't yet know when this will be.

If you have any questions or concerns you can contact us on:
